## EXPERIENCE

**Properties Artisan**—*Utah Shakespeare Festival, Cedar City, Utah*

**May 2024 -July 2024**

**Stagehand** — *The Madison Center for the Arts, Phoenix, Arizona*

**September 2021- Present**

I currently work at the Madison School District's Center for the Arts. I work as a stagehand to facilitate school district events as well as touring shows that rent the space. I assist with the changeover of softgoods, the hanging and focusing of lights, the assembly of scenery, the load in and out of shows, and maintenance of the venue. I've worked on off Broadway performances and local shows here in the valley. I've teched all kinds of shows here, dance, ballet, musical theatre, circus performances, sketch comedy and much more coming soon!

**Assistant Stage Manager**—*Madison Center for the Performing Arts, Phoenix, Arizona*

**August 2023 - October 2023**

In concert with Rockefeller Productions I was given the role of Assistant Stage Manager for Phoenix's run of the Very Hungry Caterpillar. This position was tasked with the setup of all props in coordination with the director Vicki Ocegüera. I developed my own track throughout rehearsals and tech which consisted of around 40 different handoffs and props movements throughout the show as the sole stagehand. I conducted maintenance on props throughout the run which included around 70 individual items all of which needed to be evaluated for damage after every show. I communicated alterations to props placements, and prop movements to the acting team. As well as maintaining the wardrobe for the show every weekend. This production ran for 4 performances a week for 5 weeks. Rehearsals and tech met for 5 days a week for 4 weeks.

**Properties Carpenter**—*Virginia Theatre Festival, Charlottesville, Virginia*

**June 2022-July 2022**

I was one of two hires for the prop shop for the University of Virginia's theatre festival. I assisted with the construction of properties, the casting of many furnishings, the reupholstery of stock items, and assisted with the run crew as needed. All for the production of a relatively newer work, Little Women.
