## EXPERIENCE

### **SMU Barnes and Noble – Textbook Seller – January – July 2019**

I pulled and processed online textbook orders and put out new shipments. I helped customers locate their textbooks. I packaged online orders for pickup. I assisted the General Merchandising team with correcting product tags and helped set up back stock clothing, and organized shipping invoices. I assisted with prepping the stock room for yearly inventory.

### **Dallas Zoo / Children's Aquarium (Fair Park) - Sales Associate – May 2016 – June 2017**

I accurately and efficiently maintained all sales transactions at the Point-of-Sale cash registers and also maintained an awareness of all promotions and advertisements. I maintained the orderly appearance of the cash register and work areas and kept supplies stocked. I opened the gift shop at the Children's Aquarium and set up the cash register for the day. At the end of the day, I secured the daily receipts including cash and credit cards and I also closed the gift shop.
