

Angelica Bautista

Multimedia Visual Artist

I am an accomplished creative professional with a proven track record in all aspects of the creative process; planning, deliverables, communication, revisions, and final project. My work has been seen as numerous cover arts for upcoming music artists, on products, apparel, as tattoo designs and more. I am constantly looking for new ways to improve and gain new skills to grow as much as I can.

WORK EXPERIENCE

92NY AFTER SCHOOL ROOM SUPERVISOR

2021 - 2023

Pick up children from school to accompany them to the after school program. Set up room and snacks for the group before arrival. Create projects / lesson plans to do with the group each week. Take attendance of children as they are arriving and marking them as they depart. Manage staff members within the group by assigning them tasks and ensuring staff take children to their activities. Engage in play, conversations and homework help with the children in the group. Assist with conflict resolution between members of the group. Supervising the room as children play, enter and leave the room. Give daily check-ins and discuss behavior with parents. Monthly meetings with staff to discuss lesson plans, children's behaviors in room, staff work ethic and any changes that need to be made. Reporting to Program Director if any situations escalate, to work together to find a solution. Completing staff evaluations each semester, meeting with each staff individually to discuss their eval and turning it into the Program director.
