EDUCATION

Bachelor of Arts (B.A.) - Liberal Arts and Sciences, Foreign Language and Cultural Studies

July 2024

University College Maastricht, Maastricht , Netherlands

- An Honors program, based on a PBL approach (Problem-Based Learning) in which I focused in the field of Media Studies, Visual Ethnography, and documentary filmmaking and Literature.

High School (foreign exchange year)

June 2020

Cité des jeunes A. M. Sormany , Edmundston, New Brunswick, Canada

- I spent a year exploring Francophone Canada, learning C1 level French with the program, PAC (Place aux compétences). During this time I completed my high school studies focusing on learning French literature and Francophone history and culture. I also studied science nutrition, cell biology, and Yoga.

Specialty High School - Foreign languages and literature

June 2021

Liceo Linguistico Giovanni da Castiglione, Castiglion Fiorentino, Italy

- Liceo level education in a specialty high school includes 5 years of study in a specialized field, in my case foreign languages and their respective literature and culture.
- During the first 3 years, I studied Latin grammar and translation, Italian literature, Poetry, ancient mythology, Italian grammar, English, math and geometry, ancient history and geography, Spanish intensive grammar and conversation, French intensive grammar and conversation, biology and chemistry.
