EDUCATION

- Greensboro College, BFA in Theatre Design/Technology. Expected Dec. 2025

EXPERIENCE

Santa Fe Opera, Santa Fe, NM

Props Paint Apprentice, May 2025 - August 2025

- Painted and repaired props under the supervision of the Props Charge Artist for five professional operas.
- Coordinated paint finishes as Props Paint Charge with other Props Charges for Apprentice Scenes. Led as Props Charge for "Beatrice et Benedict" scene.
- Participated in Props Run Crew operations for the run of "La Boheme," and handled preshow and postshow responsibilities.

Wagon Wheel Center for the Arts, Warsaw, IN

Props Designer, May 2024 - August 2024

- Designed, fabricated, and repaired props for five professional theatre productions.
- Directed cross-functional collaboration with 5+ directors, designers, and artisans to align stage vision.
- Implemented a comprehensive prop management protocol, including detailed tracking and timely procurement; enhanced show readiness and reduced last-minute prop issues, ensuring seamless production flow.

Steele Creek YMCA, Charlotte, NC

Art Coordinator & Counselor, June 2023 - August 2023

- Crafted lesson plans and devised artistic opportunities for children aged five through fifteen at a visual art specialty day camp.
- Centered activities on the development of foundational artistic skills such as color and pattern recognition to encourage creativity and cognitive development for all age groups.
- Collaborated with a team of counselors and staff to create a curriculum for "Make a Movie Camp," cooking, visual arts, and theater camp weeks.
